Food Plan Submittal Requirements

A food establishment is any business that prepares, processes, stores, serves or sells food items to customers. Food establishments would therefore include, restaurants, grocery stores, commercial day care kitchens, bakeries, catering facilities, cafeterias, etc. When a food establishment is newly constructed, remodeled extensively or an existing structure is converted into a food establishment, plans along with specifications, must be submitted to the Environmental Health Department via the City of Plano Building Inspections, for review and approval before construction can begin. The plans should include the name, location, general contractor, owner/applicant and plans must be stamped by a licensed engineer.

New Construction/Demo Remodel/Change of Food Type

- A set of the submitted plans should include: the kitchen, bar (if there is one), restroom, dry storage and dumpster layouts for Environmental Health review.
- Identify all fixtures and equipment in the kitchen and bar (if there is one). Include a legend that list the identified items.
- Include the finish schedule for the floors, walls and ceilings.
- Plans must be drawn to scale and include proper scale measurement/conversion.
- Submit a copy of the plumbing plans with the grease trap information for Environmental Quality review.
- Submit a completed Food Establishment application (mark **NEW PERMIT**), completed application **MUST INCLUDE** copy of owner's valid government issued ID (driver's license, passport, etc.), Texas State Sales Tax permit, proposed menu (determines category and possible variances required), and a valid Certified Food Manager Certificate (must be ANSI-CFP or DSHS approved).

Existing Food Establishment with Modifications

- A set of the submitted plans should include: the kitchen, bar (if there is one), restroom, dry storage and dumpster layouts for Environmental Health review.
- Identify all fixtures and equipment in the kitchen and bar (if there is one). Also identify what is "**NEW**" or "**EXISITING**". Include a legend that lists the identified items.
- Include the finish schedule for the floors, walls and ceilings.
- Plans must be drawn to scale and include proper scale measurement/conversion.

Change of Ownership ONLY

- Submit for change of ownership with City of Plano Building Inspections.
- Submit new Food Establishment application, marking NEW OWNER on the form.
- The owner should include a copy of a valid driver's license, Certified Food Manager Certificate, Texas State Sales Tax Permit with the completed Food Establishment application.
